President's Message

Dear Members,

I hope that everyone has enjoyed the Fall season and is looking forward to a wonderful holiday season. On behalf of the Board of Directors, I would like to thank the membership for the support of Your Club throughout 2021. This has been a very exciting year, and we expect 2022 to be one of the best years in a long time at The Danville Golf Club. Our membership numbers have continued to grow, and we are currently at 303 members. Getting to 300 members was a target goal for 2021, and it is exciting to see all the new faces around the property. As you have probably noticed, construction has begun in the pool and tennis areas for our major overhaul of those facilities. It is great to see this ambitious project start to come to life, and we all look forward to later this Spring when everything is ready to enjoy. As we close out 2021, please let the Board of Directors or Your Club Manager know of anything that can be done to improve the member experience in the coming year. Happy Holidays to each of you and thank you for the opportunity to serve as Club President this past year.
