Danville Golf Club

Community Service Membership (CSM)

Rewarding and acknowledging those that make our community a better, safer place to live.

Danville Golf Club is excited to announce our newest membership category, the Community Service Membership. Danville Golf Club has been the premier private club in the community for over 100 years, and as a prominent corporate member of the community the Club has both an opportunity and obligation to support those who support us all. The Community Service Membership category is designed to reward and acknowledge individuals who work daily to make our community a better and safer place to live. Below you will find the details regarding this limited new category.

- Eligible professions include those who are employed full time in education, active military or reserves, law enforcement, fire department, lifesaving crew, clergy, and the medical community.
- **50%** reduction in current dues structure with family total income (1040-line 9) less than \$150,000.
- **25%** reduction in current dues structure with family total income (1040-line 9) greater than \$150,000 but less than \$200,000. Greater than \$200,000 receives no reduction.
- This category will be limited to the first 50 new members.
- Qualifying applicants for this membership category are excluded from any other membership campaigns and/or dues/food credits.
- Normal application procedures apply in addition to submitting the first page of IRS form 1040 and W-2 form for employment verification. Pay stub will be accepted in place of W-2 form if it is the first year in current CSM qualifying job. IRS form 1040 and employment verification will need to be submitted yearly as well to retain the special dues rate.
The Danville Golf Club Business Manager will be the only one to see IRS form 1040 and form W-2 and approve for CSM, pending the Board approval. The Board will receive only the standard application information for vote.
- The Community Service Membership category is only applicable for full time member status.
